

## TO ATTEND SUNDAY MORNING WORSHIP

This is a new process for everyone, so we are learning together as we go down this road. IF you desire to gather in person at State Street for worship, here's what you should know about the process: You will be screened at the door with the following questions.

Are you experiencing the following?

- a. Feverish or have had a fever with in the last 72 hours?**
- b. Respiratory symptoms, sore throat, cough, shortness of breath**
- c. Flu like symptoms, muscle aches, chills, fatigue**
- d. Change in your taste or smell**
- e. Have you traveled out of the country recently?**
- f. Have you been near anyone who has tested positive for Covid-19? If so, when?**

We have limited seating each Sunday. That number will grow as we learn the process, but there is still a limited number of people who will be gathering at State Street each week. This process is designed to give everyone who desires to gather a chance to gather.

You desire to opt into the pool for gathering by calling the office at (603)224-7427 OR email Stacy@centerpointnh.org. You only need to email her once and you'll be on the list of those who desire to attend.

Each week, those from the pool who are invited to attend the upcoming Sunday will receive an email or phone call Sunday afternoon.

- o We must ask for a response that gets some more details from you. It's important that you reply to that email/phone call- that's the way you confirm your attendance.**
- o If you don't reply, we will receive that as your indication that you won't be gathering the upcoming Sunday. At that point, you will be back in the pool to attend another Sunday.**
- o If you can't attend the Sunday you are invited to, simply let the invitation pass and you will remain in the pool to be invited for another Sunday.**
- o We are doing invitations week by week, so you aren't able to reserve a spot on a specific weekend in the future.**
- o If you don't get an email or phone call on Sunday, but have indicated to Stacy that you'd like to attend, that's an indication that you are not in the group to attend the upcoming Sunday. You will be invited to a different week.**

Once you attend, you won't be added back into the pool until everyone who desires to attend has been given the chance. Once everyone who desires to gather has been given the chance, then you will be back in the pool and invited to gather again.
